Unfortunately, we can't make that part free. We have no file size limit. Alternatively you can choose to share your download links on blogs, forums and social networking sites. So try our free and simple filehosting service now. There are no restrictions on the number of times a file can be downloaded.

Using file, you can circumvent those limits without paying to upgrade your team chat service. No account or credit card is required to get started. Keep your files private, or send your download links only to friends or family. Simply upload your file and share the link. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps.
